

Event kindly sponsored by  
**HAUSER & WIRTH**  
 SOMERSET

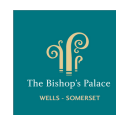

## Thank you

We would like to thank our panelists Hettie Judah, Jonathan Rugman and Neil Tully for agreeing to bluff their way (or not as the case may be) through this evening. Thank you also to Tom Killen for being our Master of Ceremonies and Auctioneer.

We would like to give enormous thanks to Hauser & Wirth who have sponsored the event, and to Wells Cathedral School and Cedars Hall who have generously donated the venue. Grateful thanks to all who have generously donated auction lots and raffle prizes. Thank you to all our helpers. A special thank you to Neil Tully for masterminding the 'bluff' itself.

The Lawrence Centre and Project Factory would like to thank the following for their support:

Amba, Ashridge Nurseries, The Bishop's Eye, The Bishop's Palace, Andy and Claudia Burn, Mary Cadogan of Bramble Kitchen, Rachel and John Carter, Claire and John Chettoe, Chilly Hire Glastonbury, Collingwood of Somerset, Fitz, Fresh n' Good Collective, Grape Tree, The Good Earth, F Griffiths & Sons, Jon King, King Lifting, Chris Lee, Mulberry, Neil and Louise Tully, Waitrose, Wells Cathedral, Carrie Weir

The Lawrence Centre

**The Lawrence Centre provides day opportunities 5 days a week for older people including those who are socially isolated, live with memory problems and have other health issues. We provide information, support and advice not only to our members but also their family carers. A range of stimulating activities are offered to promote wellbeing and encourage independence. Please come and see for yourself!**

**Project Factory brings our community together through projects, events and causes and find a way to connect, collaborate and celebrate throughout the city. Project Factory have organised the Wake Up Wells Community Days, and been central to the organisation of Wells Coronavirus Network. We raised the funds for DOUBT 2020 to come to Wells and we are raising funds now for a community arts programme.**
